Sawnee EMC Annual Meeting of Members

POSTPONED

For almost 82 years, on the first Saturday in October, a tradition at Sawnee EMC has been our Annual Meeting of Members. It is a time for friends, neighbors and fellow members to gather for food, prizes, entertainment and to learn more about your electric cooperative.

Unfortunately, due to the impacts of the ongoing COVID-19 pandemic, this year will be remembered as an unprecedented time in our state's history.

So that we act in your best interest, we have been planning for a wide range of potential meeting formats since March and were hopeful to hold the 2020 Annual Meeting. However, based on current data and information, the Board of Directors has made the difficult decision to "postpone" the 2020 Annual Meeting. This decision was made for safety reasons and is done so in the best interest of our membership.

The decision to postpone did not occur without consideration to the business of the corporation and the needs of our members. We know and appreciate that our members enjoy the experience of our annual meeting each year. Nevertheless, since there is no pressing business matter(s) to come before the membership, the best course of action is to postpone the Annual Meeting to October 2, 2021.

We encourage you to visit our website at www.sawnee.com/annual-meeting to review a copy of our Annual Report, watch a special "year in review" video, and read other cooperative information.

While I regret that we will not be able to meet in person, you can rest assured that we are here for you, working to make sure we exceed your needs. We look forward to seeing you at the 2021 Annual Meeting of Members.

Best wishes to you and your family.

Sincerely,

Michael A. Goodroe, President and CEO
