Committee on Nominations for the Board of Directors

Sawnee EMC is an electric cooperative governed by its Bylaws, its Charter, Georgia law, and the service rules and regulations established by its Board of Directors. The Corporation's Bylaws specify that certain activities be reserved only for the members of the Corporation; the election of "directors" to serve on the Cooperative's Board of Directors is one such activity.

The Committee on Nominations ("Committee"), which serves a vital role in the affairs of the Cooperative, will soon be appointed by the Board of Directors. This Committee will receive input from the membership and determine, as provided for in the Bylaws of the Corporation, the name(s) that shall be placed before the membership, from those members who have met the necessary qualifications, to seek the office of Director for the terms that are expiring.

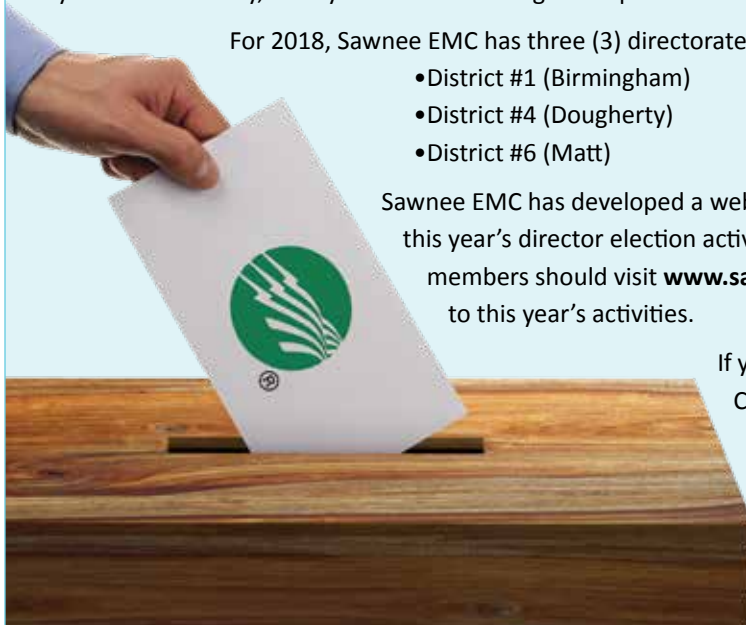

The Bylaws, in Article 4, Sections 4.02, 4.04, 4.05, and 4.09, outline the director election process, specifically as it relates to the Committee on Nominations as well as provides for a separate process, outside of the Committee, known as the "Petition Process." Information on the Petition Process may be found in Article 4, Section 4.09 of the Bylaws. Additionally, the Bylaws describe the general powers of the office of Director.

For 2018, Sawnee EMC has three (3) directorate districts, which have terms that are expiring:

- District #1 (Birmingham)
- District #4 (Dougherty)
- District #6 (Matt)

Sawnee EMC has developed a web site to provide members with information about this year's director election activities and district meeting events. Interested members should visit www.sawnee.com/elections to review the items relative to this year's activities.

If you have additional questions about the 2018 Committee on Nominations or the upcoming 2018 director election process, please feel free to contact the Office of the President and Chief Executive Officer by calling 770-887-2363, ext. 7387, or via email at kristi.sheriff@sawnee.com.
