INSTRUCTIONS FOR APPLICATION FOR
REFUND OF CAPITAL CREDITS OF A DECEASED
MEMBER

1. An application for refund of capital credits should be completed and signed by the person(s) who receives a payment of the capital credits. Consequently,

- If box 1(A) is checked, the application should be completed and signed by the executor of the estate named in the deceased member's Will or letters testamentary (if a Will is used, it should be a copy stamped by the probate office).
- If box 1(B) is checked the application should be completed and signed by the administrator of the deceased member's estate, as designated in the letters of administration.
- If box 1(C) is checked, then an application should be completed stating each person who is to receive a payment from the deceased member's account.
- If box 1(D) is checked, then an application should be completed stating each person who is to receive a payment from the deceased member's account.

2. An applicant should select a box in Part 1 based on the following criteria:

- Check box 1(A) if the member died with a Will which has been probated.
- Check box 1(B) if the member died without a Will and the estate has been administered.
- Check box 1(C) if the member died without a Will but the estate will not be administered.
- Check box 1(D) if the member died with a Will but either: (i) the Will cannot be found and probated, or (ii) all parties who may have an interest under the Will have agreed to not probate the Will.

3. Payment of the deceased member's discounted capital credits as determined by the Board shall be made in the following order of priority:

- Full payment to the executor of the deceased member's estate, as designated by the deceased member's last Will and testament (or as indicated in letters testamentary).
- If there is no probated Will, then full payment is made to the administrator designated in the letters of administration for the estate.

- If there is no probated Will, and no administrator has been named, and if the amount to be paid is less than or equal to \$2,500, then payment should be made as follows:

- 1) Full payment to the surviving spouse, if any;
- 2) If there is no surviving spouse, then an equal payment to each of the deceased member's surviving children;
- 3) If there is no surviving spouse and no surviving children, then an equal payment to each of the deceased member's surviving parents;
- 4) If there is no surviving spouse, children or parents, then an equal payment to each surviving brother and sister.
- 5) Where more than one person is to receive a payment under the foregoing rules, Sawnee EMC may issue a single check so long as the recipient signs the statement agreeing to further distribute the payment in accordance with these rules.

- If there is no probated Will, and no administrator has been named, and the amount to be paid exceeds \$2,500, then the statute requires that payment be made to persons entitled to it under the Georgia laws of descent and distribution. In such event, no payment should be made and the cooperative's legal counsel should be notified and asked for assistance.
